

Lorelei Lehwalder Norvell, PhD

Curriculum Vitae

President, Pacific Northwest Mycology Service, LLC
6720 NW Skyline Boulevard, Portland, Oregon 97229-1309 USA
lnorvell@pnw-ms.com www.pnw-ms.com
Phone/FAX 503.297.3296

Editor-in-Chief, MYCOTAXON
editor@mycotaxon.com
Adjunct Faculty Associate in Biology,
Portland State University

EDUCATION

DEGREES AND/OR EDUCATIONAL INSTITUTIONS ATTENDED

BIOLOGY-RELATED

PhD (March 20, 1998) — Botany, University of Washington, Seattle, WA 98195
BS (*high honors*) (June 8, 1990) — Biology, Portland State University, Portland, OR 97207

LINGUISTICS-RELATED

MA (May 31, 1969) — Slavic Languages, University of Texas, Austin, TX 78712
AB (*magna cum laude*, June 1, 1964) — Modern Languages, Knox College, Galesburg, IL 61401

EDUCATION-RELATED

[55 quarter hours (June-August 1962; September 1965-May 1966)] — Southern Illinois University,
Edwardsville, IL 62026
Secondary Education Teacher's Certificate (June 23, 1966, recorded in Springfield, IL]

HIGH SCHOOL

Diploma (June, 1961; Valedictorian, Bausch & Lomb Science Award) — Roxana Community High School,
Roxana, IL 62084

TEACHING EXPERIENCE AND ASSISTANTSHIPS

Mycological Advisor – Carl Clemons Committee, Portland State University, Portland, OR; 2003–2005
Lecturer — Conservation & the Environment Seminar, Portland State University, Portland, OR, January 28,
2002.
Instructor — Microscope Workshop, Western Oregon University, Monmouth, OR, 1998
Instructor — Wild Mushroom Conference, Breitenbush, OR, 1991, 1996, 1997
Collections Manager Assistant — University of Washington Fungal Herbarium, 1990-1994
Teaching Assistant — General Mycology, University of Washington, 1991
Teaching Assistant — Mushrooms, Portland State University, 1989
Teaching Assistant — Systematic Botany, Portland State University, 1988
Instructor — Introduction to Mushrooms, World Forestry Center, Portland, OR, 1986
Translator — Linguistics Department, University of Texas 1968-1969
Teaching Assistant — Russian, University of Texas, 1966-1968
Practicum — German, East Alton Junior High School, 1966

AWARDS AND HONORARY SOCIETIES

Sigma Xi, Columbia Chapter (PSU) 2006 to present
Mycological Society of America Fellow, 2005
American Men and Women in Science, 1994 to 2005
Mycological Society of America Graduate Fellowship Award, 1993
Dr. Daniel E. Stuntz Memorial Foundation Grant, 1990-1994
Oregon-Washington Reciprocity Award, 1990–1993
Phi Kappa Phi, University of Texas 1969
Phi Beta Kappa, Knox College 1964
Distinguished Alumni Scholarship, Knox College 1961-64

THESES & DISSERTATIONS

Norvell, Lorelei L. 1998. The biology and taxonomy of Pacific Northwest species of *Phaeocollybia* (*Agaricales*,
Cortinariaceae). University of Washington, Seattle. 391 p.
Norvell, Lorelei L. 1969. A short history of the Russian Academy of Literature. University of Texas, Austin.
102 p.

EMPLOYMENT HISTORY (in reverse chronological order)

Senior author of *Phaeocollybia* species of western North America by Lorelei L. Norvell & Ronald L. Exeter —
USDI Bureau of Land Management, Salem, Oregon (2009)
Co-author & editor of Field Guide to *Ramaria* of the Pacific Northwest (North America) by Ronald L. Exeter,
Lorelei Norvell & Efrén Cázares — USDI Bureau of Land Management, Salem, Oregon (2006)
Editor-in-Chief, Mycotaxon, Ltd. (October 2003 to present)

Northwest Forest Plan expert fungal identifier – USDI-BLM (2006–2011 [sole source]; Contracting Officer’s Representative Kelli Van Norman, Portland, Oregon District Office.)

Threatened Fungal Species Evaluator – Oregon Natural Heritage Program; Jimmy Kagan, Director. (2003). Author – “Fungi” in Macmillan Biology for Students; Richard Robinson, Gale Group, Editor (2001)

Northwest Forest Plan expert fungal identifier – USDI-BLM (2001; Contracting Officer’s Representative Ronald L. Exeter, Salem, Oregon District Office; Special Tillamook Office (240 epigeous ascomycete and Non-gilled basidiomycete collections for Cascade RA (Claire Hibbett, Botanist) and Tillamook Field Office)

Oregon Caves National Park Fungal Taxonomist – PWR-ORCA (2000-2004; Contracting officer John Roth, PWR-ORCA Oregon Caves NP, Caves Highway, Caves Junction OR 97523 [Order #P9340000020; Requisition#R9340000020])

Northwest Forest Plan gilled & non-gilled basidiomycete expert fungal identifier – USDI-BLM Oregon District Office, Coos Bay, Oregon, Contracting Officer’s Representative Bruce Rittenhouse; later Kelli van Norman (2000–2005)

Adjunct Faculty Associate in Biology — Portland State University, Portland, Oregon (1999 to present)

Coauthor/Coeditor – Ecology and management of commercially harvested chanterelle mushrooms – PNW Research Station (1999-2003)

Challenge Cost-Share Partner: Macrofungal Community Composition Study — Partner: Ronald L. Exeter, Botanist, USDI Bureau of Land Management, Salem, Oregon (1998-2004)

Challenge Cost-Share Partner: Green Peak Density Management Unit Fungi Study — Partner: Ronald L. Exeter, Botanist, USDI Bureau of Land Management, Salem, Oregon (1998-2006)

Instructor — BLM Botanist Microscopy Workshop, Western Oregon University, Monmouth, Oregon (November 18, 1998)

Northwest Forest Plan Strategy 3 Fungal Evaluator (11 SEIS Appendix C-3 species) — USDA Forest Service & USDI Bureau of Land Management, Supervisor, Dr Michael Castellano, Forest Sciences Lab, Corvallis, Oregon (1997-1998)

Expert fungal expert identifier (Microscopic identification/verification of Northwest Forest Plan C-3 fungal species) — Supervisor: Ronald L. Exeter, Botanist, USDI Bureau of Land Management, Salem, Oregon (1996 to present)

Northwest Forest Plan Strategy 3 Fungal Evaluator (30 SEIS Appendix C-3 species) — USDA Forest Service & USDI Bureau of Land Management, Supervisor, Dr Michael Castellano, Forest Sciences Lab, Corvallis, Oregon (1995)

Founder & President — Pacific Northwest Mycology Service LLC, Portland, Oregon (1995 to present)

Faculty — Breitenbush Annual Wild Mushroom Conference, Detroit, Oregon (1991, 1996, 1997)

Teaching Assistant — University of Washington Department of Botany, Seattle, Oregon (1991)

Instructor — Introduction to Wild Mushrooms, World Forestry Center, Portland, Oregon (1986)

Instructor — Portland Community College at Rock Creek, Hillsboro, Oregon (1980-1981)

Instructor — Cline Glass Company, Portland, Oregon (1979-1980)

Instructor — Old Nut Loft, Aloha, Oregon (1975-1977)

Owner/Designer — Lorelei Norvell Leaded Glass Studio, Portland, Oregon (1974-1982)

Translator — University of Texas Linguistics Research Center, Austin, Texas (1968-1969)

Teaching Assistant — University of Texas Slavic Department, Austin, Texas (1966-1968)

MYCOLOGICAL COLLABORATIONS (*not cited elsewhere*)

2008 to present — Collaborator, World monograph of *Phaeocollybia* (junior author with Egon Horak senior author)

2000 — Collaborator (*Phaeocollybia* Specialist), Costa Rica, (funded by Dr Roy E Halling, Curator, New York Botanical Garden, as part of his NSF-sponsored study *Fungi of Costa Rican Oak Forests*)

1999 — Faculty, July 10-18 Mycology Week, Highlands Biological Field Station, Highlands, North Carolina, (funded by Dr Ronald H Petersen, Distinguished Professor, Department of Botany, University of Tennessee at Knoxville)

1993 — Scientific Consultant, September 30 Upper Carmanah Valley (Vancouver Island) Sitka spruce FRDA II (Forest Research and Development Working Group) Tour (funded by British Columbia Ministry of the Environment)

SELECTED PROFESSIONAL SCIENTIFIC ACTIVITIES AND SERVICE (*alphabetical according to organization*)

GREAT SMOKY MOUNTAINS PARK ALL-TAXA BIOLOGICAL INVENTORY (GSMNP-ATBI)

1998-2000 — Coordinator (Kingdom Fungi), Taxonomic Working Group (TWIG)

2004 — ATBI Mycoblitz 2004, Petersen/Hughes/University of Tennessee

- INTERNATIONAL BOTANICAL CONGRESS NOMENCLATURE SECTION (*1999 to present*)
 2005–present Secretary (appointed, IAPT-CF Permanent Committee for the Nomenclature of Fungi;
 General Committee (appointed 2005–present, *ex-officio*), IBC Nomenclature Section
- INTERNATIONAL MYCOLOGICAL ASSOCIATION
 2006–2014 Executive Board (elected)
- INTERNATIONAL SOCIETY FOR FUNGAL CONSERVATION
 2011–present Vice-President (elected)
- MUSHROOM, THE JOURNAL OF WILD MUSHROOMING
 1996–2000 Coauthor (with Scott Redhead), “Askus”
 1983-1991 — Author, “The Regular Column”
 1983 to 2004 — Author and/or Contributing Editor
- MYCOLOGICAL SOCIETY OF AMERICA (*member 1983 to present*)
 2004–2010 — Chair, (Appointed), MSA Committee (Standing) on Nomenclature
 2002-2006 – Member (Appointed), MSA Finance Committee
 2000-2006 — Member (Joint appointment by MSA & NAMA presidents), Joint Commission on Common
 Names for Fungi
 2000-2003 — Secretary (Elected)
 2000 — Member (Appointed), Exploratory Committee for the Establishment of a Commission on Common
 Names for Fungi
 1998-2000 — Editor (Appointed), *Inoculum*, Newsletter of the Mycological Society of America
 1998 — Chair (Appointed), Committee – Liaison with Amateur Mycological Societies & Clubs (Member,
 1995-1998)
 1996–1999 — Member (Appointed), MSA Standing Committee on Nomenclature
- NORTH AMERICAN MYCOLOGICAL ASSOCIATION (*member 1982 to present*)
 2000-2005 — Member (Joint appointment by MSA & NAMA presidents), Joint Commission on Common
 Names for Fungi
 2003 to present — Member, Literature Committee
 1998 to present — Member (Appointed), Editorial Committee
 1988-1990 — Chair (Appointed), Editorial Committee
- OREGON CANTHARELLUS STUDY PROJECT (*cooperative study by Oregon Mycological Society, USDA-FS, City of Portland*)
 1992–1999 — Author, researcher, taxonomic/statistical advisor
 1988–1992 — Coordinator, researcher, primary taxonomist, curator
 1986-1987 — Designer, researcher, primary taxonomist, curator
- OREGON MYCOLOGICAL SOCIETY (*regular member 1973-1990; Life Member (elected) 1990 to present*)
 1988 to present — Herbarium curator
 1986-87 — President (Elected)
 1983-1986 — Chair (Appointed), Toxicology Committee,
 1979 — Annual Fall Foray chairman
 1977-78 — President (Elected)
 1976 — Secretary (Elected)
 1975, 1979, 1981–1984 Annual Mushroom Show chairman or co-chairman
- PACIFIC NORTHWEST FUNGI PROJECT (*2003 to present*)
 2008 to present — Editorial Board, *North American Fungi* (renamed on-line journal)
 2004 to 2007 — Editorial steering committee & Editorial Board, *PNW Fungi* [on-line journal]
 2003 to present — Substrate-Fungus database advisory board
- PACIFIC NORTHWEST KEY COUNCIL (elected member *1982 to present*)
 1988 — President (Elected)
 1987 — Vice-President (Elected)
 1984-1986 — Trustee (Elected)
- MISCELLANEOUS MYCOLOGICAL ACTIVITIES (not cited above)
 2008 to present — Scientific Advisory Board, MycoBank, The Netherlands & International Mycological
 Association
 2003 to present — Editorial Board, Centraalbureau des Schimmelcultures: *Studies in Mycology*, The
 Netherlands
 2000 to present — Member (Joint MSA-NAMA appointment), *Joint Commission on Common Mushroom Names
 for North America* (5-year appointment)
 1997 — Organizer, *Breitenbush Annual Wild Mushroom Conference* (Faculty Member in 1991, 1996, 1997)

- 1992-1994 — Member (Appointed), University of Washington Botany Department *Travel Awards Committee*
 1979 to present — Compiler, *Master Index of Macrofungi and Myxomycetes of the Pacific Northwest* (on-going research: includes distributions and synonymies for 5500 names, lists 700 references)
 1975-2002 — Mushroom Identifier for the public, Oregon Poison Control, & Portland area hospitals

PROFESSIONAL MEMBERSHIPS (current)

- British Mycological Society (BMS)
 Fungal Specialist Group, Species Survival Commission/World Conservation Union (SSC/IUCN)
 International Association of Plant Taxonomists (IAPT)
 International Mycological Association (IMA)
 International Society for Fungal Conservation (ISFC)
 Mycological Society of America (MSA)
 Mycological Society of Japan (MSJ)
 North American Mycological Association (NAMA)
 Oregon Mycological Society (OMS -- Life Member)
 Pacific Northwest Key Council (PNWKC)
 Sigma Xi

COMMUNITY AWARDS AND PUBLIC SERVICE (*non-scientific*)

Portland Public Schools, Portland, Oregon

- 1984 — Outstanding School Volunteer (Awarded by Superintendent of Schools, Dr Matthew Prophet)
 1982-1986 — Editor: *Skyline News* (1982-1986), *West Sylvan Wolf Call* (1983-1984)
 1982-1983 — Chair (Elected), Lincoln Cluster Reorganization Committee
 1982 — Treasurer (Elected), Skyline School Parent-Teachers Association
 1979-1984 — Chair (Elected): Skyline School Local School Advisory Committee (1979-1981, 1983-1984),
 West Sylvan Middle School Local School Advisory Committee (1983-1984)

Chamber Music Society of Oregon

- 1986-1987 — President
 1985-1986 — Board Member
 1983 — Editor, *Upbeat, Newsletter of Oregon Symphonietta*

Oregon Designer Craftsman Guild (Invited member, 1976-1982)

- 1977-1980 — Editor, *Oregon Designer Craftsman Guild Newsletter*

Scientific Publications

(both peer-reviewed & general publications; cited in REVERSE chronological order, ALPHABETICAL within year):

IN PRESS

Norvell, Lorelei L.; Redhead, Scott A. A mycologist's guide to the Melbourne Code. Abstract in *Inoculum?* for MSA annual meeting (Yale).

Wu, Sheng-Hua; Paul M. Kirk, Scott A. Redhead, Joost A. Stalpers, Yu-Cheng Dai, Leif Ryvarden, Zhu-Liang Yang, Lorelei L. Norvell, Ching-Hua Su, Yu Li, Wen-Ying Zhuang, Yi-Jian Yao, Chee-Jen Chen, Lung-Chung Chen & Zhi-He Yu. Resolution of the nomenclature for *niu-chang-chih* (*Taiwanofungus camphoratus*), an important medicinal polypore. *Taxon*.

IN REVIEW

Matheny, P. Brandon; Norvell, Lorelei L.; Giles, Emily C. A common new species of *Inocybe* in the Pacific Northwest with an unusual reaction to *p*-dimethylaminobenzaldehyde. *Mycologia*. 30 ms p.

IN PREPARATION

Norvell, Lorelei L. *AGARICALES OF CALIFORNIA: PHAEOCOLLYBIA*. Mad River Press.

Norvell LL, Halling RE. *PHAEOCOLLYBIA IN COSTA RICA*. New York Botanical Garden.

2012

Norvell, Lorelei L. 2012 ['2011']. . From the Editor-in-Chief. *MYCOTAXON* 118: xi.

Norvell, Lorelei L. 2012. From the Editor-in-Chief. *MYCOTAXON* 119: xi.

Norvell, Lorelei L.; Redhead, Scott A. June 2012. STOP PRESS! Registries of names and the new Code. *IMA Fungus* 3(1): 2.

Redhead, Scott A.; Ammirati, Joseph F.; Norvell, Lorelei L.; Vizzini, Alfredo; Contu, Marco E. 2012 ['2011'].

Validation of combinations with basionyms published by Fries in 1861. *Mycotaxon* 118: 455–458.

<http://dx.doi.org/10.5248/118.455>

[Redhead, Norvell & Moncalvo. 2012. *Cantharellus roseocanus* (Redhead, Norvell & Danell) Redhead, Norvell & Moncalvo IF550056 in Redhead, Scott A. Nomenclatural novelties. *Index Fungorum* no. 5. (ISSN 2049-2375).]

Redhead, Scott; Norvell, Lorelei; Seifert, Keith; Miller, Andrew. 2012. International meetings to discuss fungal nomenclature. *IMA Fungus* 2(2): 44–45.

2011

Hawksworth, D.L., Crous, P.W., Redhead, S.A., Reynolds, D.R., Samson, R.A., Seifert, K.A., Taylor, J.W., Wingfield, M.J., Abaci, Ö., Aime, M.C., Asan, A., Bai, F.-Y., de Beer, Z.W., Begerow, D., Berikten, D., Boekhout, T., Buchanan, P.K., Burgess, T., Buzina, W., Cai, L., Cannon, P.F., Crane, J.L., Damm, U., Daniel, H.-M., van Diepeningen, A.D., Druzhinina, I.S., Dyer, P.S., Eberhardt, U., Fell, J.W., Frisvad, J.C., Geiser, D.M., Geml, J., Glienke, C., Gräfenhan, T., Groenewald, J.Z., Groenewald, M., de Gruyter, J.Z., Guého-Kellermann, E., Hibbett, D.S., Hong, S.-B., de Hoog, G.S., Houbaken, J.A.M.P., Huhndorf, S.M., Hyde, K.D., Ismail, A., Johnston, P.R., Kadaifciler, D.G., Kirk, P.M., Kõljalg, U., Kurtzman, C.P., Lagneau, P.-E., Lévesque, C.A., Liu, X., Lombard, L., Meyer, W., Miller, A., Minter, D.W., Najafzadeh, M.J., Norvell, L.L., Ozerskaya, S.M., Öziç, R., Pennycook, S.R., Peterson, S.W., Pettersson, O.V., Quaedvlieg, W., Robert, V.A., Ruibal, C., Schnürer, J., Schroers, H.-J., Shivas, R., Slippers, B., Spierenburg, H., Takashima, M., Taşkın, E., Thines, M., Thrane, U., Uztan, A.H., van Raak, M., Varga, J., Vasco, A., Verkley, G., Videira, S.I.R., de Vries, R.P., Weir, B.S., Yilmaz, N., Yurkov, A., and Zhang, N. 2011. The Amsterdam Declaration on Fungal Nomenclature. *IMA Fungus* 2(1): 105–112.

Kirk PM, Norvell LL, Yao YJ. Changes to the Code of Nomenclature in Melbourne. *Journal of Fungal Research* 9(3): 125–128 (in Chinese).

Norvell, Lorelei L. 2011. .From the Editor-in-Chief. *MYCOTAXON* 117: ix.

Norvell, Lorelei L. 2011. Fungal nomenclature. I. Melbourne approves a new Code. *MYCOTAXON* 116: 481–490.

Norvell, Lorelei L. 2011. From the Editor-in-Chief. *MYCOTAXON* 116: ix.

Norvell, Lorelei L. 2011. Report of the Nomenclature Committee for Fungi: 18. *TAXON* 60: 1199–1201

Norvell, Lorelei L. 2011. From the Editor-in-Chief. *MYCOTAXON* 115: ix.

Norvell, Lorelei L. 2011. Report of the Nomenclature Committee for Fungi: 17. *TAXON* 60: 610–613.

Norvell, Lorelei L. 2011. Report of the Nomenclature Committee for Fungi: 16. *TAXON* 60: 223–226.

Norvell, Lorelei L. 2011 ('2010'). Fungal nomenclature. Summary of recent decisions by the Nomenclature Committee for Fungi. *Mycotaxon* 114: 501–505.

Norvell, Lorelei L. 2011 ('2010'). From the Editor-in-Chief. *MYCOTAXON* 114: 509–510.

Korf, Richard P., Lorelei L. Norvell. 2011 ('2010'). Cautionary advice to authors who alter their reprints in any way from the original publication. *MYCOTAXON* 114: 485.

Redhead, Scott; Norvell, Lorelei; Seifert, Keith; Miller, Andrew. 2011. International meetings to discuss fungal nomenclature in 2012: Collaboration between the between the NCF, ICTF, and organizers of regional mycological meetings. *IMA Fungus* 2(2): 44–45.

2010

- Hawksworth, David L., Jerry A. Cooper, Pedro W. Crous, Kevin D. Hyde, Teresa Iturriaga, Paul M. Kirk, Thorsten H. Lumbsch, Tom W. May, David W. Minter, Lorelei L. Norvell, Scott A. Redhead, Amy Y. Rossman, Keith A. Seifert, Joost A. Stalpers, John W. Taylor, Michael J. Wingfield. 2010. (117–119) Proposals to make the pre-publication deposit of key nomenclatural information in a recognized repository a requirement for valid publication of organisms treated as fungi under the Code. *MYCOTAXON* 112: 514–519 & *TAXON* 59: 660–662.].
- Norvell, Lorelei L. 2010. From the Editor-in-Chief: Mycotaxon becomes an online journal in 2011. *Mycotaxon* 112: 514–516.

Commentary 15, Ballot 2011-3, Auxiliary commentaries, cover letter

IAPT NC for Fungi Secretary— Mailing 50 (36 p.: auxiliary files). June 24, 2011

Amsterdam Declaration, Critical Response, comments, Final NCF Report 17, cover letter

IAPT NC for Fungi Secretary— Mailing 51 (3 p.: ballot results). July 1, 2011

IAPT NC for Fungi Secretary— Mailing 52 (4 p.: final ballot results). July 2, 2011

IAPT NC for Fungi Secretary— Mailing 53 (10 p.: Report 18 draft). July 3, 2011

IAPT NC for Fungi Secretary— Mailing 54 (81 pages: nominations). July 5, 2011

Final draft NCF Report 18; CVs for Dianese, Kirchmair, Kirschner & Yao; cover letter

IAPT NC for Fungi Secretary— Mailing 55 (13 p.: Ballot) July 6, 2011 NCF Candidate Preference Ballot, Minnis CV

IAPT NC for Fungi Secretary— Mailing 56 (4 p.: Melot comment). July 11, 2011

IAPT NC for Fungi Secretary— post Melbourne Mailing 1 (23 p.: welcome, Melbourne IBC report). July 24, 2011

Code changes (preliminary), Membership report/roster, Art. 59 & Sanctioning accepted proposals, General Committee Report; NCF procedures; NCF Report 18

IAPT NC for Fungi Secretary— Mailing 2 (13 p.: election for NCF Chair). September 10, 2011

Ballot 2011b-1, Melbourne Code (Norvell), Perry Memoriam

IAPT NC for Fungi Secretary— Mailing 3 (32 p.: Chair results, Art. 59 shakeout, other news. September 27, 2011

McNeill & al. Melbourne Rpt, McNeill & Turland Major Changes; Hawksworth a new Dawn;

Smith & al. Latin changes: Letter

IAPT NC for Fungi Secretary— Mailing 4 (3 p.: Kirschner on upcoming CBS One name –Which Fungus symposium). October 18, 2011

IAPT NC for Fungi Secretary— Mailing 5 (8 p.: Notes from Chair Redhead; Secretary on symposia. November 7, 2011: Thank you letter; Names subcommittee formation

2010

Mycotaxon (Editor-in-Chief) – Volume 113 (July–September, 526 p). October 15, 2010.

Mycotaxon (Editor-in-Chief) – Volume 112 (April–June, 518 p). June 24, 2010.

Mycotaxon (Editor-in-Chief) – Volume 111 (January–March, 531 p). March 31, 2010.

Report (paid)— USDI-BLM/ USDA-FS Interagency Strategic Survey Coordinator van Norman, Portland, Oregon: identification of 74 gilled basidiomycete collections and 3 p. + 1 database. January 13, 2010.

Report (paid)— USDI-BLM/ USDA-FS Interagency Strategic Survey Coordinator van Norman, Portland, Oregon: identification of 20 collections and 4 p. + 1 database. February 28, 2010.

Report (paid)— USDI-BLM/ USDA-FS Interagency Strategic Survey Coordinator van Norman (Palomar identifications), Portland, Oregon: identification of 4 collections and 1 p. + 1 database. June 23, 2010.

IAPT NC for Fungi Secretary— Mailing 11 (16 p.). July 14, 2010.

IAPT NC for Fungi Secretary— Mailing 12 (36+ 1 paper). July 16, 2010.

IAPT NC for Fungi Secretary— Mailing 13 (1 p. + 8 papers). July 16, 2010.

IAPT NC for Fungi Secretary— Mailing 15 (47 p.). October 13, 2010.

IAPT NC for Fungi Secretary— Mailings 16–30 (15 email forwards of 1–10 p. to Committee members of comments or reminders to send in ballots). October 21–November 12, 2010.

IAPT NC for Fungi Secretary— Mailing 31 (71 p.). November 17, 2010.

IAPT NC for Fungi Secretary— Mailing 32–33 (12 p.). November 22, 2010.

IAPT NC for Fungi Secretary— Mailing 34–38 (92p.). December 1–19, 2010.

Mailing reminders, Commentary 12, Ballot 2011-1, Letter, Proposals to amend the Code in press

2009

Mycotaxon (Editor-in-Chief) – Volume 110 (October–December, 580 p). December 30, 2009.

Mycotaxon (Editor-in-Chief) – Volume 109 (July–September, 528 p). September 18, 2009.

Mycotaxon (Editor-in-Chief) – Volume 108 (April–June, 522 p). July 16, 2009.

Mycotaxon (Editor-in-Chief) – Volume 107 (January–March, 546 p). March 31, 2009.

Mycotaxon (Editor-in-Chief) – Volume 106 (October–December, 518 p). January 1, 2009 (“2008”).

Report of the Foray Mycologist—Trout Lake—Spring 2009, Pacific Northwest Key Council Foray May 1–4. 24 p (47 color photos) PDF file sent to attendees. May 29, 2009.

Report (paid)— USDI-BLM/ USDA-FS Interagency Strategic Survey Coordinator van Norman, Portland, Oregon: identification of 173 collections and 3 p. + 1 database. February 28, 2009.

Report (paid)— USDI-BLM/ USDA-FS Interagency Strategic Survey Coordinator van Norman, Portland, Oregon: identification of 28 collections and 1 p. + 1 database. August 12, 2009.

IAPT NC for Fungi Secretary—Mailing 8 (52 p.). April 28, 2009.

IAPT NC for Fungi Secretary— Mailing 9 (48 p.). July 6, 2009.

IAPT NC for Fungi Secretary— Mailing 10 (28 p.). October 5, 2009.

Scientific Presentations

italic = presenter(s); * = invited; + = abstract written.

2012

April 12. **Lorelei Norvell* & *Scott Redhead*. A mycologist's guide to the Melbourne Code. CBS Symposium: One Fungus = Which Name? Royal Dutch Academy of Sciences, Amsterdam, Netherlands.

2010

August 1. + *Lorelei L. Norvell*, Ronald L. Exeter, Matthew Gordon & Scott A. Redhead. Species concepts in a molecular age: the *Phaeocollybia* waltz. Poster. International Mycological Congress 9. Edinburgh, Scotland.

June 28. + *Lorelei L. Norvell*, Ronald L. Exeter, Matthew Gordon & Scott A. Redhead. Species concepts in a molecular age: the *Phaeocollybia* waltz. Poster. Mycological Society of America. Lexington, Kentucky.

March 22. * *Lorelei Norvell*. *Phaeocollybia* in western North America: two decades of progress. Slide lecture. Oregon Mycological Society. Portland, Oregon.

2009

May 2. **Lorelei Norvell* [Guest foray mycologist]. To the root of a mushrooming problem: forests and fungal diversity. Pacific Northwest Key Council. Trout Lake, Washington.

2008

August 11. + *Norvell, Lorelei L.* & Ronald L. Exeter. 2008. Return to the elusive *Phaeocollybia* 2. Oregon — the phaeocollybian Eden? Poster presentation, Mycological Society of America. Pennsylvania State University, State College, PA.

April 3. * *Lorelei Norvell*. To the root of a mushrooming problem: chanterelles, surveys, & volunteers. Slide presentation. South Vancouver Island Mycological Society. Pacific Forestry Center, Victoria, BC, Canada.

April 1. * *Lorelei Norvell*. Kenning the seeds of time. Slide presentation. Vancouver Mycological Society. Vancouver Horticultural Society Bldg, Vancouver BC, Canada.

2007

August 9. +**Norvell, Lorelei L.* 2008. Fungi under the International Code of Nomenclature. Symposium keynote presentation. Mycological Society of America, Louisiana State University, Baton Rouge.

August 7–8. +*Exeter Ronald L., Norvell Lorelei L.* *Ramaria* of the Pacific Northwestern United States. Poster presentation. Mycological Society of America, Louisiana State University, Baton Rouge.

2006

(September 25) **Norvell, Lorelei L.* Mushrooms in their unnatural habitats — from the OMS morgue. (The OMS 1999-2005 Annual Show Retrospective.) Slide presentation. Oregon Mycological Society, Portland.

2005

August 1–5. +*Lorelei L. Norvell*. A return to the elusive *Phaeocollybia*: I. Key to western North American species. Poster presentation. Mycological Society of America. University of Hawaii, Hilo, Hawaii.

August 1–5. +*D.A. Glawe, J.F. Ammirati, B.E. Callan, F.M. Dugan, L.L. Norvell & M.T. Seidl*. The Pacific Northwest Fungi Project: developing a collaborative model for inventorying biodiversity on a regional basis. Poster presentation. Mycological Society of America. University of Hawaii, Hilo, Hawaii.

May 14. **Lorelei Norvell*. Publishing mycological papers: from MS Word to Adobe Creative Suite. Pacific Northwest Fungi Project, University of Washington, Seattle. [6-hour workshop]

April 30. **Lorelei Norvell* [Guest foray mycologist]. *Phaeocollybia* of western North America. Slide presentation. Pacific Northwest Key Council. Trout Lake, Washington.

2004

November 17. **Lorelei Norvell*. *Phaeocollybias* of California. Humboldt Bay Mycological Society, Arcata, California.

September 14. **Lorelei Norvell*. Life with the chanterelle family. Newfoundland 2004: Humber Natural History Society. Gros Morne National Park, Newfoundland [Canada].

July 19. +*Lorelei Norvell*. Fungi & the Northwest Forest Plan: lessons learned about epigeous basidiomycetes in surveyed & managed west slope forests. University of North Carolina at Asheville, North Carolina.

June 12. *+*Lorelei Norvell*. Mushrooms! How to find, know, and love them in their natural habitat or on the table. Skamania Lodge Wild Mushroom Celebration, Skamania, Washington.

June 1. *+*Lorelei Norvell* & Ron Exeter. Fungal response to thinning at Green Peak. USDI-BLM Density Management Workshop. Oregon State University, Corvallis, Oregon.

2003

- August 17. *+Lorelei Norvell. Ecology and management of commercially harvested edible chanterelles in western North America. 1 hour power point public lecture with poster. 3rd International Workshop on Edible Mycorrhizal Mushrooms. University of Victoria, Victoria, British Columbia.
- July 27-29. +Lorelei Norvell, David Pilz, Eric Danell, Randy Molina. Ecology and management of commercially harvested chanterelle mushrooms. Poster. Mycological Society of America, Asilomar Conference Center, Pacific Grove, California.
- March 24. *Lorelei Norvell. Fungal gems of Oregon's *Pseudotsuga* Forests. 1 hour power point presentation. Oregon Mycological Society. World Forestry Center, Portland, Oregon.

2002

- August 12-14. +Lorelei Norvell, Ron Exeter. The Douglas-fir epigeous ectomycorrhizal basidiomycete community in the western North American Northern Spotted Owl zone. Poster. VIIth International Mycological Congress, Oslo, Norway.
- June 24. *+Lorelei Norvell, Ron Exeter. Poster. The epigeous ectomycorrhizal basidiomycete Douglas-fir fungal community in "peace" and "war". Annual Meeting of the Mycological Society of America. Corvallis, Oregon.
- April 10. *Lorelei Norvell. The Northwest Forest Plan: Fungi, Herbaria, and the Perception of Rarity. Harvard Herbaria Seminar Series: Farlow Herbarium, Cambridge, Massachusetts.
- April 8. *Lorelei Norvell. Loggers, Litigation, and Lowlifes: Fungi of the Northwest Forest Plan. 2-hour lecture. Boston Mycological Club, Farlow Herbarium, Cambridge, Massachusetts
- April 7. *Lorelei Norvell. Conversation with Lorelei – Mushrooms, Names, and Projects. 4-hour workshop. Boston Mycological Club. Farlow Herbarium seminar room: Cambridge, Massachusetts.
- January 28. *Lorelei Norvell. Fungal Community Research in the Oregon Forest Ecosystem. 2-hour slide lecture, as part of the "Communities, Ecosystems, and Landscapes in Conservation Theory and Practice" class, Portland State University, Portland, Oregon.
- January 22. *Lorelei Norvell. Field of Names: First you find it... Los Angeles Mycological Society, Los Angeles County Natural History Museum, Los Angeles, California.

2001

- September 15. *Lorelei Norvell. *Phaeocollybia*: the key. Pacific Northwest Key Council, Stampede Pass, Washington.

2000

- October 15. *Lorelei Norvell [guest mycologist]. Species, genera and families: Survey of MSA 2000 foray collections. Workshop. Oregon Mycological Society Fall Foray, Camp Cascade (Marion County), Oregon.
- October 14. *Lorelei Norvell [guest mycologist]. "Why is that *THAT?*" A rambling rationalization of mushroom genera. Slide presentation, Oregon Mycological Society Fall Foray, Camp Cascade (Marion County), Oregon.
- September 25. *Lorelei Norvell. Fungi of the Talamancas, with an affectionate glance at Costa Rican *Phaeocollybias*. Oregon Mycological Society. Portland, Oregon.
- August 1. +Lorelei Norvell. Practical mycology in the twenty-first century. Mycological Society of America. Burlington, Vermont.
- April 19. *Lorelei Norvell. Taking the fungal pulse of America's forests. Slide presentation. Fungus Federation of Santa Cruz. Santa Cruz, California.
- April 18. *Lorelei Norvell. Taking the fungal pulse of America's forests. Slide presentation. Mycological Society of San Francisco. San Francisco, California.

1999

- October 24. *Lorelei Norvell [guest mycologist]. Species, genera and families: survey of foray collections. Workshop. Oregon Mycological Society Fall Foray, Camp Cascade (Marion County), Oregon.
- October 23. *Lorelei Norvell [guest mycologist]. So just what are they doing out there? Trophic strategies of Oregon mushrooms. Slide presentation, Oregon Mycological Society Fall Foray, Camp Cascade (Marion County), Oregon.
- September 27. *Lorelei Norvell. Taking the fungal pulse of America's forests. Slide presentation. Oregon Mycological Society, Portland, Oregon.
- August 14. *Donald Huffman, *Greg Mueller, *Jack Murphy, *Lorelei Norvell, *Arturo Estrada Torres. Mycology Today. Panel presentation. North American Mycological Association Foray, Cape Girardeau, Missouri.
- August 1-7. +Lorelei L. Norvell & Ronald L. Exeter. The Oregon Douglas-fir community. Poster. XVI International Botanical Congress, St. Louis, Missouri.
- August 1-7. +Lorelei L. Norvell, Rodham E. Tulloss, Asheville Mushroom Club. Butterflies of the soil 1999: GSMNP-ATBI fungal pilot study. Poster. XVI International Botanical Congress, St. Louis, Missouri.

May 8. *Lorelei Norvell. *Phaeocollybia* in Oregon, Washington, British Columbia and Idaho: Overview and Key Trial. Slide presentation and workshop: Pacific Northwest Key Council Spring Workshop, Rimrock, Washington.

May 7. *Lorelei Norvell. The utility of transect sampling of mushrooms in Oregon Douglas-fir forests and the Great Smoky Mountain National Park. Slide presentation: Pacific Northwest Key Council Spring Workshop, Rimrock, Washington.

March 26. +Lorelei L. Norvell & Ronald L. Exeter. Oregon Douglas-Fir fungal communities: The first year. Slide presentation: Northwest Scientific Association, Tacoma, Washington.

February 17. *Lorelei Norvell. The track of the mushroom: Fungal biodiversity inventories in Oregon, the Great Smokies and the Redwoods. Slide presentation: Humboldt Bay Mycological Society, Arcata, California.

1998

November 14. *Lorelei Norvell. The twenty-five *Phaeocollybias* of the Pacific Northwest. Slide seminar: Bureau of Land Management Botanist Microscope Workshop: Western Oregon University, Monmouth, Oregon.

September 28. *Lorelei Norvell. Oregon: A *Phaeocollybian* Garden of Eden. Slide presentation. Oregon Mycological Society. Portland, Oregon.

June 11-16. +Lorelei L. Norvell & Judy Roger. The Oregon *Cantharellus* Study Project: Pacific Golden Chanterelle preliminary observations and productivity data (1986-1997). Poster presentation, Mycological Society of America Annual Meeting, San Juan, Puerto Rico.

February 15. *Lorelei Norvell & Judy Roger. Chanterelles, Pickers and Survival: the Oregon Study, 1986-1996. Slide lecture. North American Mycological Association, Asilomar, California.

February 14. *Dennis Desjardin, *Gary Lincoff, *Orson Miller, *Lorelei Norvell, *Ron Petersen, *Nancy Weber; Mike Book, moderator. Species-level taxonomy and fungal biodiversity. Panel. North American Mycological Association, Asilomar, California.

1997

November 18. +*Lorelei Norvell. The biology and taxonomy of Pacific Northwest species of *Phaeocollybia* Heim (Agaricales, Cortinariaceae). PhD defense. University of Washington, Seattle, Washington.

November 2. *Lorelei Norvell. The Oregon *Cantharellus* Study Project: 1986-1996. Slide lecture. Wild Mushrooms '97. Breitenbush Hot Springs Conference Center, Oregon.

November 1. *Lorelei Norvell. Mushrooms, Herbaria and the Perception of rarity. Slide lecture. Wild Mushrooms '97. Breitenbush Hot Springs Conference Center, Oregon.

October 20. *Lorelei Norvell. Biology and Taxonomy of *Phaeocollybia* in the Pacific Northwest. Slide presentation. Fourth Annual Daniel E. Stuntz Memorial Lecture sponsored by the Daniel E. Stuntz Memorial foundation in cooperation with the Puget Sound Mycological Society. Seattle, Washington. (Dr. G. Mueller primary speaker).

August 6. +Lorelei Norvell. *Phaeocollybia*: The Sixth Year. Slide presentation. Mycological Society of America Annual Meeting, Montreal, Quebec, CANADA.

May 26. *Lorelei Norvell, *Judy Roger, *Frank Kopecky. "The Oregon *Cantharellus* Study Project: What, Why, How, Whence, and Whither?" Slide Presentation and Panel. Oregon Mycological Society, Portland, Oregon.

1996

October 26. *Lorelei Norvell. Unlocking the Mystery of the Mysterious Mushroom *Phaeocollybia*. Slide Lecture. Breitenbush Mushroom Conference. Breitenbush Hot Springs Retreat Center, Breitenbush, Oregon.

October 24. *Lorelei Norvell. How to Identify Fungi Slide Lecture. Breitenbush Mushroom Conference, Breitenbush Hot Springs Retreat Center, Breitenbush, Oregon.

July 29. +LL Norvell & J. F. Ammirati. 1996. The agaric genus *Phaeocollybia* in western North America: New Species." Slide presentation, Mycological Society of America Annual Meeting, Indianapolis, Indiana.

January 17. *Lorelei Norvell. "*Oxyporus*, *Bondarzewia*, *Cantharellus* & *Phaeocollybia* – in search of rarity." Slide Presentation. Humboldt Bay Mycological Society. Arcata, California.

1995

November 17. +*Lorelei Norvell. "Strategy I: *Phaeocollybia*, Herbaria, and the Perception of Rarity." Slide presentation. Oregon Native Plant Society Symposium on Conservation and Management of Native Habitat, Corvallis, Oregon.

August 10. +LL Norvell & J. F. Ammirati. Systematics of PNW *Phaeocollybia* species: molecular and morphological collusion. Slide presentation. Mycological Society of America Annual Meeting, San Diego, California.

July 8. *Lorelei Norvell. Getting to the root of a mushrooming problem: morphological, molecular, and ecological collusion in *Phaeocollybia* (Cortinariaceae, Agaricales). Mouldy Thursday, Oregon State University. Corvallis, Oregon.

March 27. *Lorelei Norvell. Recent investigations in the genus *Phaeocollybia*. Slide presentation. Oregon Mycological Society, Portland, Oregon.

1994

- October 21. *Lorelei Norvell. The Chanterelle: Biodiversity and Endangered Habitats. Slide presentation. Eugene Natural History Society. Eugene, Oregon.
- October 3. *Lorelei Norvell. The Mushroom genus *Phaeocollybia* in the Pacific Northwest. Slide presentation. Tacoma Mushroom Society. Tacoma, Washington.
- August 14-21. +LL Norvell, J. F. Ammirati and SA Redhead. *Phaeocollybia* in Western North America. Poster. IMC 5, Vancouver, British Columbia, CANADA.
- August 14-21. + J. F. Ammirati Walker GR, Norvell LL, Seidl MT, Puget Sound Mycological Society, Redhead SA, Ginns JH, Burdsall HH, Volk TJ. Macrofungi of old-growth *Abies* forests in the Pacific Northwest. Poster. IMC 5, Vancouver, British Columbia, CANADA.
- August 14-21. +Redhead SA, J. F. Ammirati and SA Redhead. *Phaeocollybia* in Western North America. Poster. Fifth International Mycological Congress, Vancouver, British Columbia, CANADA.
- August 14-21. +Redhead SA, Ammirati JF, Norvell LL, Seidl MT, Weber NS, O'Dell TE, Puccio MB, Walker GR. 1994. Snowbank fungi in Washington and British Columbia. IMC 5, Vancouver, British Columbia, CANADA.
- August 14-21. +Redhead SA, Ammirati JF, Walker GR, Norvell LL, Puccio MB, O'Dell TE, Seidl MT, Gamiet S. 1994 The Who's Who of mushroom versus mushroom — mycoparasitism of agaric basidiomata by other agarics in the Pacific Northwest. IMC 5, Vancouver, British Columbia, CANADA.
- May 3. *+Lorelei Norvell. The OMS Chanterelle Picking Study. Slide lecture. Conference for Ecosystem Management of Forest Fungi, Corvallis, Oregon.
- February 28. *Lorelei Norvell. Special Forest Products: Mainstreaming the Economically Disadvantaged. A Report on the Hillsboro Special Forest Products Conference". Lecture presentation. Oregon Mycological Society, Portland, Oregon.
- January 26. *+LL Norvell, F. Kopecky, J. Lindgren, & J. Roger. The Chanterelle (*Cantharellus cibarius*): A Peek at Productivity. Slide presentation. The Business and Science of Special Harvest Products Exposition and Conference, Hillsboro, Oregon.

1993

- June 21. +LL Norvell & J. F. Ammirati. "Further Observations on the genus *Phaeocollybia*. Slide Presentation. Mycological Society of America Annual Meeting, Athens Georgia.
- June 8. *LL Norvell. After 7 Years: The Oregon *Cantharellus* Study Project . Slide presentation. Snohomish County Mycological Society, Everett, Washington.
- April 26. *Lorelei Norvell. *Phaeocollybia* in the Pacific Northwest: to the root of a mushrooming problem. Slide presentation: Botany Department Seminar, University of Washington, Seattle, Washington.
- April 13. *Lorelei Norvell. Research in the genus *Phaeocollybia* in the Pacific Northwest. Slide presentation. Puget Sound Mycological Society, Seattle, Washington.

1992

- October 18. *Lorelei Norvell. A woman in mycology. Lecture. Evergreen State College Mycology Student Symposium, Snyder Work Camp, Lake Crescent, Washington.
- August 14. *+Lorelei Norvell. Mushroom management in the Bull Run Watershed. Slide presentation for Workshop on Special Forest Products: Boughs, Beargrass, Mushrooms and Native Plants. Sponsored by the Western Forestry Conservation Association, Washington State Department of Natural Resources, and Washington State University Cooperative Extension. Salem, Oregon.
- August 10. +LL Norvell & SA Redhead. *Phaeocollybia* in western Canada with observations on the *P. kauffmanii* complex. Slide presentation, Mycological Society of American Annual Meeting. Portland, Oregon.
- April 14. *Lorelei Norvell. After the harvest: preliminary report on the Oregon *Cantharellus* Study Project. Slide presentation. Puget Sound Mycological Society. Seattle, Washington.
- March 24-28. +LL Norvell. Studying the effects of mushroom harvesting on chanterelle productivity in Oregon's Mt. Hood National Forest. Slide presentation. Northwest Scientific Association 65th Annual Meeting. Bellingham, Washington.
- March 3. *+Lorelei L. Norvell. Methodology and research on the effects of mushroom harvesting on chanterelle productivity. Slide presentation. Wild Mushroom Harvesting Discussion Session (Forestry Canada). Victoria, British Columbia, CANADA.

1991

- November 18. *Lorelei Norvell. The impact of harvesting on chanterelles. Slide lecture. Society of American Foresters (Oregon Chapter), Portland, Oregon.
- November 1. *Lorelei Norvell. Methodology and progress of the Oregon *Cantharellus Study* project. Slide lecture. Wild Mushroom Conference 1991, Breitenbush, Oregon.
- October 29-30. Lorelei Norvell. The impact of harvesting on chanterelle productivity in Mt. Hood National Forest, Oregon. Poster. Conference on the Biology and Management of Wild Edible Mushrooms in Pacific Northwest Ecosystems. Eugene, Oregon.
- September 23. *Lorelei Norvell. The chanterelle study: The first five years. Slide lecture. Oregon Mycological Society. Portland, Oregon.
- August 6. +LL Norvell. A study on the effects of harvesting on chanterelle productivity in Mt. Hood National Forest, Oregon. Poster. Mycological Society of America. San Antonio, Texas.
